The “talent recruitment” service provides support for employees on the move...

Accommodation, activities, employment for your spouse: we'll guide you in the right direction!

ÉcosystèmeD's “talent recruitment service” is linked to the region's many stakeholders (prefecture, recruitment services, education centres, estate agencies...) and will be able to respond to each and every one of your questions.

For employees, students, health professionals, job seekers wishing to move to the region:

- > **A bespoke meeting** with the Global Mobility Manager to fine tune your needs and relocation plans
- > **Provision of informative documents** and help to move (plans, guidebooks, brochures)
- > **A detailed presentation of the website** “Dunkirk, Creative Energy” to help you find all the practical information you need
- > **Support for research in different fields:** housing, schools, professional mobility grants, administrative formalities, associations, etc.
- > **Help to** find a job for your partner
- > **A tour to discover** the territory
- > **Regular contact** and follow-up to help the newly arrived to integrate and meet people
- > **A subscription to the magazine** “Live, work and educate yourself” dedicated to the newly arrived, the perfect place to find good tips, firm favourites and local events
- > **Social events** alongside with our partners

For companies:

Would you like to convince a candidate to choose our region to grow their career? Or would you like to give your new employees a big warm welcome? Our support service has assistance to suit your needs:

Aside from the support services for new employees (which you'll find in the list above), ÉcosystèmeD can support your company:

- > **By providing tools to promote** the territory, highlighting Dunkirk's assets, quality of life and opportunities
- > **By presenting the region** to your new employees or job candidates
- > **By providing a bespoke visit of the area** for your employees (different languages available)
- > **By giving you support** for your employer brand

A bespoke, made-to-measure welcome:

Our exclusive partnerships enable us to provide “on demand” services and comprehensive “welcome packs”.

Whether it's exploring the region (gifts, local specialities, etc.) or solutions for a smooth move (administrative assistance, opening a bank account or a meter, social security, property visits, language courses or registrations), we've got you covered.

Our Global Mobility Manager, **Adeline ANDRICQ**, is your representative. She will help you with the various procedures, she is well placed to give you the best possible advice and put you in touch with the relevant services or people.

Contact us if you have a specific request and we'll give you a quote **based on your needs**.
